## 2 Gallon Container Grown Daylily List as of April 8, 2009

All of our overwintered containers have now been moved out of winter storage. With favourable temperatures to stimulate some healthy spring growth, these plants should be ready to go off to new homes by the 3<sup>rd</sup> or 4<sup>th</sup> week of April.

Following is a list of cultivars we have available in 2 gallon containers. These will transplant without losing a beat. For pricing and a complete list of bare root cultivars please reference the 2009 Arcadian Daylilies catalogue.
