Ida Munson Award for best Double 2001

Award of Merit 2001

Dormant

Mid season

18” Bloom Scape

6.5” Bloom

Diploid

A favorite of ours combining exquisite beauty and great performance PJ received both the Award of Merit & the coveted Ida Munson Award for best **Double** in 2001, only 6 years after introduction. Huge blooms sitting just atop the foliage this is an absolutely stunning double, pale cream/near white polychrome, diamond dusted, infused with pink.

An absolute first choice.
